Moving to my new class

One thing I am looking forward to

.....

.....

One thing I am worried about:

.....

.....

Making new friends	dinner time	a new timetable
getting lost	new teachers	new uniform
playtimes	being with friends	homework
school rules	working on my own	older children
lunch play	P.E. lessons	new books
new lessons	seconds at lunch	joining clubs

Moving to my new class

The toilets I will use are joined to my classroom.

I can use them when I need to but I must ask an adult to use them during class time.

I can use them on my way out to play and at lunchtime.

I must remember to wash my hands.

Moving to my new class

The pegs I will use are on stands which are kept near the door.
