I am looking
forward to my

I will play in this playground:

The door to my classroom looks like this:

My new class is called: 1KP

Here is a picture of my classroom:

Moving to my new class

My new class is called 1KP.

This is my new teacher:

Some things I know about my teacher:

Their name is Mrs Patch.

Her favourite colour is pink and she loves reading.

Moving to my new class

One thing I am looking forward to

.....

.....

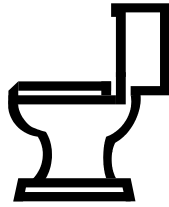

One thing I am worried about:

.....

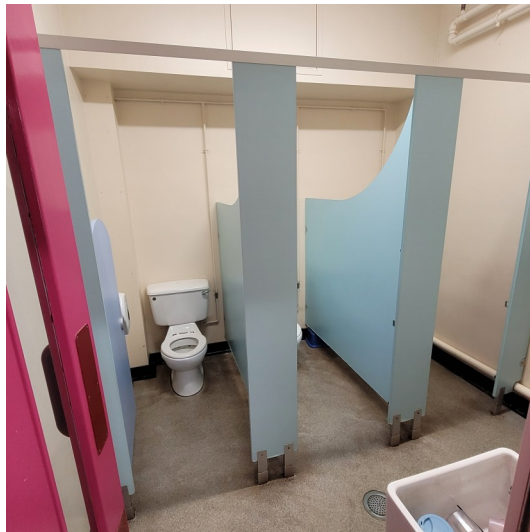

.....

Making new friends	dinner time	a new timetable
getting lost	new teachers	new uniform
playtimes	being with friends	homework
school rules	working on my own	older children
lunch play	P.E. lessons	new books
new lessons	seconds at lunch	joining clubs

Moving to my new class

The toilets I will use are in the classroom;

I can use them when I need to but I must ask an adult to go out in class time.

I can also use toilets in the Year 2 area at playtimes.

Moving to my new class

The pegs I will use are on a stand at the back of the room inside my class.
