

Art Year 4

Term 1

African Tie Dye textiles

We will be using fabric dye to design and decorate tie-dye bags.

Vocabulary: dye, contrast, resistance, negative, complimentary

Skills:

We will colour and fix fabric together, learning to use bands, knots and string to create a range of dye effects.

You'll choose colours and create a tie-dye design.

You'll experiment with complimentary and clashing colour schemes.

Term 3

Charcoal drawings of complex still life arrangements

We will create interesting compositions of Roman artefacts and objects, and capture them using charcoal.

Vocabulary: composition, highlights, blend, shade, contrast.

Skills: You will identify and draw complex objects and use marks and lines to produce texture.

We will organise line, tone, shape and colour to represent objects.

Term 5

Picasso style cubist paintings

We will be learning all about Pablo Picasso, and using paint and pencil to copy his style.

Vocabulary: cubism, abstraction, depth, line, outline

Skills: We will experiment with more wild and gestural paint marks.

We will use a colour wheel to create all the colours you need, creating mood and emotion with colour.
